Gospel Reading

John 13:31-33a,34-35

Jesus gives his disciples a new commandment: love one another.

Today's Gospel again comes from the Gospel of John. Like last week, today we hear words spoken by Jesus before his death and

Resurrection. Jesus is teaching at the Last Supper.

John's Gospel does not include an institution of the Eucharist narrative; instead, Jesus washes his disciples' feet. Immediately after, Jesus predicts his betrayal by Judas. Today's Gospel follows that prediction. It can be read as a continuing explanation of Jesus' act of washing his disciples' feet. It begins with the announcement that this is the moment when the Son of Man will be glorified. This theme continues throughout John's Passion. Jesus will be glorified in his death on the cross and in his Resurrection, and the disciples will glorify Jesus in the love they show.

John's Gospel does not present a sentimental view of love. This is a type of love that is shown in service and sacrifice. It is difficult to choose to love when faced with hatred and anger. Jesus tells the disciples that all will know that they are his disciples because of the love they show for one another. This description of the early Christian community will be repeated in the Acts of the Apostles: "See how they love one another." Christian love is the hallmark of Christianity. We see it lived in the witness of the martyrs. We see it in the example of the lives of the saints. We see it in the holy women and men who live and love daily, making small and large sacrifices for others.

REPAIRS UPDATE:

CHIMNEY REPAIRS: During the fall of 2021 the existing boiler was replaced at Our Lady of Assumption Parish. This work involved the installation of a new exhaust flue. At the time of installation, the existing chimney was found to be in extremely poor condition and unsuitable for the flue installation. Larkin Architect Limited (LAL) was provided with photographs of the chimney and requested to co-ordinate its repair.

LAL conducted a site visit in January of 2022. The existing chimney could only be observed from the ground. Based on site photographs, the chimney appeared in extremely poor condition and LAL estimated approximately 25% of the chimney needed to be repointed, and 75% of the chimney needed to be rebuilt. Additionally, the capstone needs to be reset and proper flashing installed. Closer inspection and demolition could alter this scope positively or negatively.

Based on this general scope, LAL contacted several trades with the appropriate expertise and experience in the Diocese. Due to the lack of available trades LAL found it extremely difficult to get fixed price quotations. LAL contact five different trades and received two written quotations and 1 verbal quotation.

Quotations ranged from **\$110,00—\$140,000**. Of the quotations received, Roof Time Management Inc. (RTM) quote of \$114,175 represented good value. Additionally, RTM expressed the ability to start immediately.

We are given the approval by the chancery office to proceed with the repairs.

RAMPS REPAIRS: We are also on the process of fixing/replacing the existing concrete steps and ramps around the church as they do not meet the Ontario Building Code Standards or AODA standards. The estimate price for this project is \$250k. I will make a complete report to the community as soon as the information are available.

Let us pray!

For those who are sick members of our parish and those who love and minister to them.

from a Catholic Perspective**

On Wednesday, May 18 starting at 7:30 p.m. the Archdiocese of Toronto will host an Ontario Election Debate from a Catholic Perspective, featuring representatives from the major political parties. The debate will be livestreamed on the archdiocese's Facebook page and YouTube channel, and it will be broadcasted live on Salt+Light TV. Peter Stockland, publisher of *The Catholic Register*, will be the moderator and he will ask the candidates how they will respond to the concerns of Ontario's Catholics.

A number of non-partisan resources is produced to help the faithful discern their vote through the wisdom of Catholic Social Teaching. You can find those resources at: www.archtoronto.org/election.

**Welcoming the Hidden Christ in Our
Parishes Webinar - Registration Now Open**

Building upon last year's webinar series, the Office of Formation for Discipleship is now offering *Parish Vitality Webinar Series II*. The third webinar in the series, "Welcoming the Hidden Christ in Our Parishes," will take place on **Wednesday, May 18 from 10 to 11:30 a.m.**

Mother Theresa once remarked that she found Christ living under a bridge in Calcutta. We don't need to journey to some far-off land to encounter the hidden Lord. He is in our parishes in the form of a shaking hand grasping a railing to stop a fall; a frustrated child with a learning disability; a depressed teenager looking for hope; a wheelchair stuck in the snow. This webinar will focus on how our response as a parish community to people living with disabilities increases parish vitality while enriching our own spiritual lives in the process. *It is in giving that we receive!* **Presenters:** An expert panel led by Dr. Constance Price, Co-Director of the Office of Formation for Discipleship
